

DNA Analysis Price List

Effective from May 05 2025 for all types of payment

1. Human DNA Analysis

SERVICE	PRICE
Legal Paternity/Maternity Test, used in court as legal proof <i>(official procedure, includes test results and forensic expertise)</i>	840,00 €
Paternity/Maternity Test <i>(official procedure, without forensic expertise)</i>	550,00 €
Forensic expertise	290,00 €
Paternity/Maternity Test <i>(for personal information only)</i> 18 loci	380,00 €
Paternity/Maternity Test <i>(for personal information only)</i> 24 loci	510,00 €
Prenatal Sex Determination <i>(from maternal blood, from the 18th week of pregnancy)</i>	320,00 €
Prenatal Paternity Test <i>(only male fetuses, from maternal blood, from the 18th week of pregnancy)</i>	570,00 €
Paternal Lineage Test (Y chromosome STR comparison test) <i>(2 samples, 23 Y-STR loci)</i>	530,00 €
Kinship test <i>(between siblings, half-siblings, grandparents/grandchildren; 2 or 3 samples, 24 loci)</i>	510,00 €
Fee for additional person <i>(1 sample, analysis of 18 autosomal loci)</i>	150,00 €
Fee for additional person <i>(1 sample, analysis of 24 autosomal loci)</i>	180,00 €
Fee for non-standard DNA sample <i>(1 sample)</i>	60,00 €
Subsequent analysis of additional STR loci	70,00 €
Determination of DNA profile <i>(1 sample, analysis of 24 autosomal loci)</i>	240,00 €
Determination of Y-DNA profile <i>(1 sample, analysis of 23 Y-STR loci)</i>	250,00 €
Determination of DNA profile from a paraffin-embedded tissue sample <i>(2 paraffin-embedded tissue samples)</i>	365,00 €
Determination of the presence of semen <i>(1 sample)</i>	100,00 €
DNA extraction <i>(1 sample)</i>	60,00 €
Urgent analysis <i>(4 working days, standard samples only)</i>	60,00 €
Fee for expert consulting	100,00 €
Fee for going to the court <i>(for 35 km or more from Zagreb or Osijek)</i>	0,50 €/km

All listed prices refer to DNA analysis from standard samples (buccal swab or whole blood).

All tested STR loci are included in the European Standard Set (ESS) approved by European Network of Forensic Science Institutes (ENFSI). Analysis of additional loci includes analysis of loci recommended by ENFSI and EDNAP (European DNA Profiling Group), therefore they meet CODIS and European standards.

2. Animal DNA Analysis

SERVICE		PRICE
GENBird test <i>(bird sex determination from feather or blood)</i>	1-4 samples	25,00 €
	5-9 samples (5% discount)	23,75 €
	10 or more samples (10% discount)	22,50 €
Urgent GENBird test (5 working days, additional fee for 1 sample)		8,00 €

3. Sample collection kit for DNA testing

SAMPLE COLLECTION KIT	PRICE
DNA Paternity/Kinship Test Kit	22,00 €

For all prices for analyses and kits VAT number is included.

PAYMENT OPTIONS

One-time payment

- a) cash
- b) payment order
- c) online/mobile banking
- d) debit cards
- e) credit cards (MasterCard, VISA, Premium VISA, Diners)
