Contact e-mail: fsostaric@genos.hr

Contact phone: +385 1 6471 181

---

## 2. Subject of the Public Consultation

The interested public is hereby invited to participate in the public consultation on the drafts of two (2) checklists prepared within the framework of the following projects:

### **Project 1: GlycoCardio 2023**

Document title:

- ESMP-Checklist\_Genos-GlycanAge\_final\_03 HR
- ESMP-Checklist\_Genos-GlycanAge\_final\_03

### **Project 2: CRISPRdCas9**

Document title:

- ESMP Checklist – Genos CRISPRdCas9\_final\_03 HR, or
- ESMP Checklist – Genos CRISPRdCas9\_final\_03

Both projects include checklists available in Croatian and English.

The purpose of this public consultation is to collect comments, suggestions, and opinions from the interested public in order to improve the quality, clarity, and implementability of the listed documents.

---

## 3. Short Description of the Documents

### **Draft Checklist 1 (GlycoCardio 2023):**

This document supports the assessment of potential environmental impacts associated with the proposed project, identifies opportunities for improving environmental

performance, and recommends measures to prevent, reduce, and mitigate negative environmental and social impacts.

### **Draft Checklist 2 (CRISPRdCas9):**

This document supports the assessment of potential environmental impacts associated with the proposed project, identifies opportunities for improving environmental performance, and recommends measures to prevent, reduce, and mitigate negative environmental and social impacts.

---

## **4. Duration of the Public Consultation**

The public consultation will be conducted during the following period:

- **Start of consultation:** 22 December 2025
- **End of consultation:** 05 January 2026

Comments received after the expiration of the stated deadline will not be considered.

---

## **5. Method of Participation in the Consultation**

Interested parties may submit their comments and suggestions:

- by e-mail: [fsostaric@genos.hr](mailto:fsostaric@genos.hr)

The use of a structured comment form is recommended and should include: - the document title (Checklist 1 or Checklist 2), - reference to the relevant section of the document, - description of the comment or suggestion, - justification of the proposal.

---

## **6. Processing and Publication of Consultation Results**

All received comments will be reviewed by the responsible project team. A summary of the received comments and an explanation of their acceptance or rejection will be published after the completion of the public consultation.

---

## **7. Personal Data Protection**

Personal data collected within the framework of the public consultation will be processed in accordance with applicable data protection regulations and exclusively for the purpose of conducting this consultation.

---

## 8. Invitation to Participate

All interested stakeholders, including the professional and general public, institutions, organizations, and individuals, are invited to actively participate in the public consultation and contribute to the quality of the subject documents with their comments and suggestions.
